

July 4 Independence Day Holiday Provides Another Long Week-End Rest For Y-12ers - Month Has Many Anniversaries

The month of July is noteworthy in many respects. Of course, it provides the outstanding patriotic holiday of the year—the Fourth of July, which is, of course, a holiday for all Union Carbide Nuclear Company employees in the Oak Ridge area—and also includes a number of other interesting anniversary and birth dates concerning events and people.

The Fourth of July Independence Day holiday will be observed in the Y-12 Plant on Monday, July 4, when no employees will be required to work except those required for the continuous operations and protection of the plant. This will be the fourth long week-end holiday of the year to provide Y-12ers an opportunity for journeys to nearby cities to visit

kin folks and friends, for fishing trips, attending ball games and just prolonging rest periods at their homes.

As every American well knows—the Fourth of July is known as Independence Day. It was on July 4, 1776 that the Declaration of Independence was signed by representatives of the American Colonies to proclaim their break with

Great Britain and establish a new nation in North America.

However, that is not the only outstanding date on the calendar in July. For instance—

July 2, 1890 — Congress passed the Sherman anti-trust act, prohibiting "combinations in restraint of trade."

July 2, 1863 — The second day of the Battle of Gettysburg, the battle that doomed the South to eventual defeat in the War Between the States, was waged in the Pennsylvania hills.

July 3, 1898 — The United States fleet destroyed the Spanish fleet in a blow that ended the Spanish threat to Cuba.

July 4, 1872 — As well as being Independence Day, the date saw the birth of Calvin Coolidge, the 30th President of the United States.

July 5, 1846 — Another Independence Day — California de-

New Y-12 Badges May Be Obtained At Racks Friday

Cooperation In Making Changeover Rapidly Urged Of All Employees

When Y-12ers report to work on Friday of this week they will find their new "take-home" badges in self-service badge racks located inside the plant at the perimeter portal selected by them when they filled out the IBM card for that purpose.

Old Badges Expire July 18

Each employee is urged to complete the changeover as soon as possible by stopping at the self-service badge rack, pick up his new "take-home" badge and leave the old one. Badges will be in the racks in badge number order for convenience in quickly locating the new badge. After July 18 the old badge will not be recognized for access to the Y-12 Plant.

The security regulation concerning wearing the badge in plain sight at all times while inside the plant also applies to the new badges. In addition, the metering devices of the new badge is considerably more effective when the badge is worn on the collar or lapel or somewhere on the front portion of the clothing above the waist.

Careful Handling Urged

All employees are again reminded to handle the new badge carefully. Some of the conditions which could harm the meter in the badge are:

1. Exposure to heat, such as leaving it in a closed car exposed to the summer sun.
2. Dropping the badge into water or other liquids.
3. Excessive pressure, such as stepping on it.
4. Tampering with the badge.
5. Wearing it during X-ray examinations.

How To Make Change

Between badge changes, if any employee wants his badge placed at a different perimeter portal for the next change, he must complete another IBM card and send it to the Security Department. These cards will be available at the self-service badge racks, guard posts, pay portals, Stores and Property Sales.

This new badge program requires the full cooperation of every Y-12er for its successful operation.

PGNS Sets Seventh Meeting At Gatlinburg

About 350 Scientists Expected October 3-5

The latest developments in the field of electronics in nuclear science will be discussed at the seventh annual meeting of the Professional Group on Nuclear Science of the Institute of Radio Engineers, to be sponsored jointly by PGNS and Oak Ridge National Laboratory at Gatlinburg, October 3-5. The theme of the meeting will be "Solid State Radiation Detectors and Low Noise Amplifiers."

Approximately 350 scientists and engineers are expected to attend the meeting.

Solid state detection of nuclear radiation is one of the newest and fastest moving areas of interest to the electronic engineer in the nuclear science field. More than 20 technical papers on the subject are expected to be presented.

Y-12 Credit Union To Set Second Dividend In July

In accordance with its decision of several weeks ago, the Y-12 Employees Credit Union will declare its second dividend of the year early in July, it has been announced by Mrs. Iorena Causey, treasurer and general manager of the organization. The rate of the dividend will be set by the board of directors after all of the Credit Union balances as of June 30 have been checked. The dividend will be credited to the share accounts of all Credit Union members by about July 15 and the rate of the dividend will be announced as soon as possible after July 1, according to Mrs. Causey. The first dividend—of five per cent—was voted in January at the annual Credit Union meeting.

SOPRANOS LIKE LUCIA

A favorite opera with coloratura sopranos is Donizetti's "Lucia di Lammermoor." The opera was adopted from a novel by Sir Walter Scott.

U.S. FIRED LAST SHOT

The last shot fired against the Germans in World War I was from an American 14-inch railway gun at Thierville, France. The big gun had a range of 21 miles.

Beta Four Building Departments Plan Big Joint Picnic

Something new and somewhat along the "de luxe" line in picnics is being arranged for some Y-12ers. There have been departmental and shift picnics and outings galore in the past for the entertainment of Y-12 folks—but now one building is uniting for a "big, big" shindig.

Various and sundry departments in Bldg. 9204-4—better known to most Y-12ers as "Beta Four"—have crossed divisional lines to units for this upcoming shindig. Such departments as Special Projects, the Beta Four Heavy Machine Shop and Mechanical Engineering from the Technical, Mechanical Operations and Engineering Divisions are merging their interests to arrange the picnic for employees and members of their families.

The Beta Four frolic will be held at the Lenoir City Municipal Park, near Ft. Loudoun Dam, on Saturday morning, July 9. Festivities will begin at 8 a.m. and continue until ??? (the sponsors say).

The menu will include T-Bone steaks, chicken and ham with all the trimmings, it is reported.

Joint Seminar Session Set Thursday At Laboratory

A joint physics and neutron physics division seminar session will be held on Thursday afternoon of this week, June 30. The seminar meeting date has been moved forward one day because of the approaching July 4 long week-end holiday. R. B. Murray, of the Oak Ridge National Laboratory Neutron Physics Division, will speak on "Response of Inorganic Scintillators to Various Charged Particles." The seminar will be at 3:15 p.m. in the auditorium of Bldg. 4500, ORNL. Y-12ers interested in the subject are invited to attend the meeting.

CAT-ASTROPHE

According to the Associated Press, a cat jumped at some birds perched on a bank of electrical transformers near Tulsa, Okla. The feline lost all nine lives via 13,000 volts of electricity, missed the birds and put 4,000 homes without power for hours.

Dr. Kinzel Receives 15th IRI 1960 Medal

Union Carbide Research Head Praises Science

Dr. Augustus B. Kinzel, vice-president—research, Union Carbide Corporation, told some 250 executives gathered at the annual meeting of the Industrial Research Institute that American science is both sound and vigorous. The IRI meeting was held recently in Atlantic City, N. J.

In his acceptance of the Institute's 1960 medal, which is awarded "annually for outstanding accomplishment in leadership in or management of industrial research," Dr. Kinzel said that the only trouble with science today is the public's image of it. "The public," he said, "is either trying to make science a schizophrenic handmaiden to both truth and expediency or it is confusing science with black magic. The lay world forgets that there were roughly 525 years between Leonardo and the Wright brothers. Even in industry, where we have to move at a pretty fast clip, it usually takes seven years for an idea to move from the test tube to tank car."

Need For Knowledge Expanding
The Union Carbide research head in his speech entitled "Research—Fact, Fancy, and Furor" called upon scientists of all areas of research to get about their business. "In our expanding universe, the need for knowledge is also expanding," Dr. Kinzel said, "and we aren't going to make much progress if we are going to spend too much of our time on committees discussing the need for more scientists. Personally, as I look around our world, I'm not at all sure that there isn't an even more pressing need for more statesmen, more philosophers and more humanitarians of even higher stature."

Dr. Kinzel is the 15th recipient of the Industrial Research Institute Medal, which was established in 1945. The Institute, founded under the auspices of the National Research Council, includes 350 research executives.

Dr. A. B. Kinzel

MONDAY HOLIDAY REQUIRES EARLY DEADLINE FOR PAPER TO BE PUBLISHED JULY 6

Because of the July 4 Independence Day holiday falling on next Monday—the usual printing date for The Y-12 Bulletin—the paper will be printed on Friday, July 1. For this reason it is necessary to ask all contributors and correspondents for The Bulletin to have their material in at the newspaper office, Bldg. 9704-2, not later than tomorrow afternoon, Thursday, June 30, to insure publication in the edition of July 6. Because of the tight publication schedule, it is necessary that this deadline be adhered to by everyone.

clared itself independent from Mexico.

July 7, 1930—Construction work on the massive Boulder Dam in Washington state was started. The giant dam provides power for the entire Northwest and irrigation for vast areas of northeastern Washington.

July 8, 1776 — The Liberty Bell at Philadelphia was tolled, to proclaim the first public reading of the Declaration of Independence.

July 11, 1767 — John Quincy Adams, sixth President of the United States, was born.

July 12, 1920 — The Panama Canal was formally opened to traffic.

July 14, 1789 — The opening of the great French Revolution that marked the downfall of French monarchy. The occasion now is commemorated as Bastille Day (corresponding to America's Independence Day) when the French prison at Paris was opened to free its inmates to fight in the revolution.

July 15, 1876 — George Bradley, pitching for the St. Louis baseball team, hurled the first no-hit game in the history of the game—against Hartford.

July 18, 1747—John Paul Jones, great American naval hero, was born.

July 20, 1917—Secretary of War Newton Baker drew the first draft number of World War I. It was No. 158.

Mrs. Walter Stooksbury

STOOKSBURY-WATSON

The marriage of Miss Patricia Ann Watson and Walter Stooksbury was solemnized at 7 o'clock Friday night, June 10, at the Andersonville Methodist Church. The Rev. George Buchanan, pastor of the church, officiated.

The bride is the daughter of Mr. and Mrs. W. W. Watson, of Norris. Her father is with the Y-12 Process Maintenance Department. Parents of the groom are Mr. and Mrs. Maurice Stooksbury, also of Norris.

Wedding music was provided by Mrs. Roger Reddin, organist; and Miss Judy Crosby, vocalist.

Given in marriage by her father, the bride wore white silk organza with scalloped neckline and long sleeves. The molded bodice was hand-clipped Chantilly lace with side panels that extended over the skirt with chapel train. Her finger-tip veil of illusion was held by a lace crown embroidered in pearls. She carried white feathered carnations and gardenias.

Miss Sandra Archer was maid of honor and wore a street-length dress of aqua silk organza. She carried yellow shasta daisies. Other attendants were Misses Elizabeth Peters, Rosemary Sharp and Claudette Stooksbury. Their dresses were similar to that of the maid of honor. Shannon Wallace was flower girl and Dennis Stooksbury, brother of the groom, was ring bearer.

Serving as best man was the father of the groom. Ushers were John Loy, of Knoxville, David Stooksbury and Junior Pate, both of Norris.

Immediately following the ceremony a reception was held at the home of the bride's parents.

The bride graduated from Norris High School and attended Carson-Newman College, where she was a member of the Hypatian Literary Society. She is now employed by the People's Bank in Clinton.

The groom also is a graduate of Norris High School and is attending East Tennessee State College. He was a member of the freshman basketball team and is a first sergeant in the ETSC Reserve Officers Training Corp unit.

The couple is living in Norris.

AN IMPRESSIVE DOUBLE WEDDING CEREMONY in which two daughters of a Y-12er were married was held June 18. The Y-12er is Mrs. Allie A. Baer, center, of Chemical. The couple at left is Mr. and Mrs. William A. Miller, Jr., the bride being the former Miss Lillian Patricia Baer. At right are Mr. and Mrs. James L. Collins. Mrs. Collins is the former Miss Allene Juanita Baer.

Daughters Of Y-12er Married In Double Wedding Ceremony At Central Baptist Church In Oak Ridge

Two daughters of a Y-12er were married in a double wedding ceremony at the Central Baptist Church of Oak Ridge at 4 o'clock Saturday afternoon, June 18. They were the Misses Allene Juanita Baer, who wed James L. Collins; and Lillian Patricia Baer, who exchanged marriage vows with William A. Miller, Jr. The brides are the daughters of Mrs. Allie A. Baer, of the Y-12 Chemical Department, and the late Clyde M. Baer.

The impressive double wedding ceremony was performed by the Rev. Kenneth Combs, pastor of the Central Baptist Church.

Mr. Collins, who wed Miss Allene Juanita Baer, is the son of Mr. and Mrs. James W. Collins, living on the Oak Ridge-Clinton Highway. He is a telephone lineman.

The bride was given in marriage by her brother, Jack Baer, and for her wedding she chose a floor-length gown of Chantilly lace over taffeta fashioned with a Sabrina neckline and long-fitted sleeves. The full skirt was of nylon tulle with Chantilly lace inserts and applique. Her flowers were lilies of the valley and an orchid.

The bride's sister-in-law, Mrs. Bernice Baer, was matron of honor and wore a street-length dress of green organza over taffeta with a matching headband. Bridesmaids were Misses Carolyn Littleton and Mary Breese, who wore dresses of yellow silk organza over taffeta and matching headbands.

The father of the groom acted as best man. Ushers were L. P. McMillan and Jim Ault, both of Oak Ridge.

The bride is a graduate of Oak Ridge High School and the groom graduated from Thornsby, Ala., High School. The bride is with the Payroll Department at the Oak Ridge Gaseous Diffusion Plant.

The groom of Miss Lillian Patricia Baer is with the University of Tennessee and is the son of Mr. and Mrs. William A. Miller, Sr., of Memphis.

The bride was given in marriage by William Lewis, a friend of the family.

She wore a full-length gown of silk bombazine over taffeta fashioned with a scoopneck bodice and long pointed sleeves of Chantilly lace. The full skirt had inserts of Chantilly lace and a court train. Like her sister, she carried lilies of the valley and an orchid.

Miss Sarah Walker, of Knoxville, was maid of honor and wore a street-length gown of green taffeta over taffeta and a matching headband. Misses Barbara McKelvey, of Alcoa, and Eva Mae Miller, Memphis, were bridesmaids. Their gowns were of yellow organza over taffeta with matching headbands.

Serving as best man was Robert Lee Whitaker, Nashville. Gus Beatty and Edwin Burdette, both of Memphis, were ushers.

The bride graduated from Oak Ridge High School and also from the University of Tennessee. She is a school teacher.

The groom graduated from high school in Memphis and also from the University of Tennessee.

Following the double wedding ceremony, a reception was held at the Central Baptist Church reception room. Mrs. Martha Lewis and

Oak Ridge Band Sets First Concert Of Season Tonight

The first concert of the year by the Oak Ridge Concert Band will be presented tonight, Wednesday, June 29, on the lawn in front of the Atomic Energy Commission administration building. In case of inclement weather the concert will be postponed until Wednesday, July 6.

The band is composed primarily of amateur musicians from Oak Ridge and nearby towns. About half of them are Union Carbide Nuclear Company employees. Gilbert Scarborough, director of the Oak Ridge High School band, is director of the group; and George Joseph, Robertsville Junior High School, is co-director. Joseph will direct the concert tonight.

The program for the concert tonight will include the "National Emblem March," by Bagley; "A Lovely Rose is Blooming," Brahms; "Poet and Peasant Overture," von Suppe; "Totem Pole," Osterling; Victor Herbert favorites; "Valzer Compestre," Marinuzzi; Waltzes from Der Fledermaus, Strauss; and "Lassus Trombone," Fillmore.

There is no admission and the public is invited.

Get well wishes are extended the following Y-12 employees who were patients last week in Oak Ridge and Knoxville hospitals.

OAK RIDGE

E. T. Wallace, V. A. Stanley and E. T. O'Rourke, Research Services; James Elder, Beta Four Heavy Machine Shop; Allie A. Baer, Chemical; T. L. Boshears, Stores; A. T. Van Dyke, Alpha Four; D. R. Blankenship, Sunflower Shop; F. A. Wells, Enriched Uranium Recovery; J. E. Bartholomew, Electrical Engineering; L. C. Manley, Janitors.

ST. MARY'S

W. C. Asbury, Alpha Four. BAPTIST Milton H. Vineyard, Sunflower Shop.

UNIVERSITY

Milton M. Dickens, Production Control; Maurice H. Lee, Sunflower Shop.

Mrs. Mary Scott served at the reception.

Let's everyone doff Uncle Sam's hat in honor of the "Glorious Fourth"—the upcoming holiday celebrating the declaring of independence of the

Greatest Nation on Earth. Sure, it is a holiday for all Y-12ers — so how's about keeping it a safe one. Remember—"It is much better to be late, Mr. Jones, than the late Mr. Jones."

Just so the Colyum won't be late —here goes for the last effort in June, leading off with—

ENGINEERING

As one and all know "The engineers have fuzzy ears," or so says the couplet—so here's a fuzzy one contributed by a Y-12er in Engineering who wishes to remain anonymous. (He should—or suffer dire consequences from his fellow draftsmen.) His opus concerns a definition of an engineer—to-wit—"An engineer is one who passes as an exacting expert on the strength of being able to turn out, with prolific fortitude, strings of incomprehensible formulae calculated with micrometric precision from extremely vague assumptions which are based on debatable figures acquired from inconclusive tests, quite incomplete experiments, carried out with instruments of problematic accuracy by persons of doubtful reliability and rather dubious mentality." (Ed's Note—Whew!)

Mechanical Engineering folks are found in all parts of the U.S.A. during vacation season. This week the Fred Jeffers are in Virginia and Washington, D. C., sight-seeing and visiting relatives while Roy Huddleston is hiking the Appalachian Trail . . . The E. E. Palmers are putting in the week camping and boating in Tennessee lake areas while W. K. Forrester is relaxing at the house . . . Nora Moss and sons, Howie and Jewett, spent the week end with her parents in Winchester, Tenn. . . . Jack West got his outboard motor started, took Ray Tiller and they spent a quiet week end fishing on Norris Lake. . . . Eleanor Bennett and Arnold Zinck were Sunday guests of Mr. and Mrs. R. L. Hickey at their lodge on Watts Bar Lake . . . D. E. Chastain received a letter of notification of his promotion to lieutenant in the Naval Reserve—salutations to you, sir! . . . Russ Hensley is now with the MES in Beta Four . . . O. T. Smith has a new addition in the family, a Pekinese named Yankee (cigars, please, O. T.) . . . Don Stinnett's plans to work on his basement came to a head prematurely when a run-away car from across the street crashed into his home and started off the construction with a bang.

SHIFT SUPERINTENDENTS AND UTILITIES

Sun-seeking vacationers at Miami Beach are George Everitt, of the PSS office, and his family.

Utilities sends congratulations to B. L. Fain, the Proud Grandpop of a seven and one-half pound boy born June 22—no further statistics available . . . A. W. Byford is spending the first week of his vacation in Decatur and Hartsville, Ala., and the second camping out in the mountains . . . R. W. Chrisman is entertaining his son from Illinois and daughter from Dayton, Ohio . . . H. B. Renfro is relaxing over at Cumberland State Park near Crossville . . . D Shifters on long breaks last week end included E. W. Mahan visiting relatives in Hancock County, K. E. Caughron doing likewise at Cosby, J. H. Thomas dittoing in Blount County and the N. W. Standridge family camping out in the mountains . . . Another weekender was Jean Jones and her husband, Gordon, who darted over to Dowlstown (that's two pine trees and a right turn past Smithville) to feast on her folks' fried chicken

and trimmings . . . Get well wishes go to W. Sweeten and E. M. Baird, out with the miseries.

The Steam Plant welcomes George Dykes, Jr., as a newcomer. . . . E. I. Clark is spending a three-week vacation around home . . . L. L. Kilgore is fishing in lakes around Chattanooga.

MECHANICAL OPERATIONS

Positively the proudest grandpop in the Sunflower Shop—and probably the entire plant—is C. B. Wilson. Well, there's no wonder, as this

Daughter And Granddaughter

picture shows. It is of Mrs. Helen Swafford, the Y-12er's daughter, and her two-months-old son, Victor Gray Swafford. The picture was made when the youngster was three weeks old . . . Meanwhile—vacations are casting beams of sunshine on the Sunflowers . . . R. P. Russell is going to visit Houston, Tex., and San Francisco, Cal., all in two weeks . . . J. E. Gilstrap bought a new tent for a family camping trip on a lake to fish, rest, swim, fish, rest, swim, eat, etc., etc. . . . Bob Norton says he can't get any further than Outer Drive—so there he'll stay at home . . . A flock of other Sunflowers are blooming hither and yon—but didn't leave word of their plans.

Rolling and Forming 'lows as how W. W. Chase is enjoying his own personal fishing rodeo while vacationing . . . H. E. Shatley is resting and playing a few rounds of golf—with L. W. Moneymaker reportedly being ready to do the caddying for his foreman.

Production Control proclaims that while Jim Cole and family lived it up in Venice, Fla., stay-at-home vacationers included Al Fischer, Ronnie Taylor, Tom LaRue and Tommy Webber . . . Bob Harris caught up on his golf . . . Eddie Maeyens was another stay-at-home vacationer—catching up on his rest after weddings of both his son and daughter.

. . . Jerry Dunn is visiting in his old home town in Pennsylvania . . .

Patty Matlock is looking up friends in historic Richmond, Va. . . . Ray Curtis is at home in Harriman . . . Bob Hill is on Naval Reserve training in Virginia . . . Cleon Hartman's middle toe came off second best in a bout with a power motor—so he's allowed to work with one foot on a desk . . . The welcome mat was out last week for Lucy Parker, Ray Curtis, E. E. Gouge, R. E. Lee, Nick Sideris, B. K. Bristow, R. Q. Love, D. H. Bowman, N. O. Patty, Jr., Merle Emery, Doug Frazier, Jake Lusk, James Rose, Andy Phillips, D. G. Kiser, Jr., D. E. Plemens and J. W. Rolston . . . The Harry Connors are the Proud Parents of a baby girl, Carole Ann, born June 16, weighing six pounds, 13 ounces. Harry already has purchased a pair of water skis for the young 'un.

The Beta Four Heavy Machine Shop sends its happiest get well wishes to J. W. Young and Walt Sherrod . . . C. W. Johnson is back after a couple of weeks of National Guard training . . . Congratulations to the newest Proud Pop of the group—he is J. E. Blakney . . . J. E. Pace and E. C. Pate are visiting their families in Lebanon and Nashville, respectively . . . L. R. Cham-

Continued on Page 4

WHIZZING ALONG AT THE TOP OF THE CARBIDE FAST PITCH SOFTBALL LEAGUE are the Y-12 Whiz Kids, shown above. In the back row, from left, are Herb Oliver, Joe Sherrod, Bill Gent, J. E. Cheek, John Peters and Manager J. D. Collins. In front are Ernie Collins, Don Forrester and Bill "Squeaky" Elliott. Squad members absent when picture was made were Jimmy Bryson, Bill Maddux, Don Matlock, Ken Bowers and Spud Chandler.

Ernie Collins Blanks ORGDP Shift Three As Whiz Kids Keep Winning Streak Going

With Ernie Collins hurling a three-hit shutout effort and fanning 16, the Y-12 Whiz Kids won their seventh straight game without a loss in the Carbide Fast Pitch Softball League last week. The victims were the Oak Ridge Gaseous Diffusion Plant Shift Three with the losing pitcher being Bates, who for several years has been rated right along with Collins as the town's top softball flingers. The score was 5 to 0.

The Whizzers of Manager J. D. Collins started out early on Bates' offerings with four runs coming across in the first inning on only two hits, aided and abetted by some costly Shift Three bobbles. The Y-12ers tallied their other counter in the fifth round on two hits. Cheek, Beyson and Chandler each had two bingles for the winners, as the ORGDP ace tightened up on the hill.

Shift Three broke even for the week in the only other clash played by trimming the Y-12 Fat Boys by 8 to 2. The ORGDP lads hopped on Bill Sise for five hits and seven of their eight runs in the first inning and the losers were never in the game.

In the only other game attempted during the week the ORGDP D Shifters and Oak Ridge National Laboratory struggled to no decision in a tilt called at the end of the fifth because of rain. Other scheduled games for the week also were washed away.

Scores by innings and league standing follows:

Team	R	H	E
Shift Three	000	000	0-0 3 2
Whiz Kids	400	010	x-5 6 2
Batteries: Shift Three, Bates and Billingsley. Whiz Kids, E. Collins and Bowers.			
Fat Boys	000	200	0-2 7 3
Shift Three	501	011	x-3 8 1
Batteries: Fat Boys, Sise and Shotts. Shift Three, Whittlesey, Bates (6th) and Billingsley.			

Team	League Standing	W	L
Whiz Kids	7	0	0
D Shift	2	0	0
Atoms	5	3	3
Shift Three	3	2	3
ORNL	3	3	3
Fat Boys	2	6	6

Y-12 Pistol Loop Lead Is Deadlocked

After matches fired on June 14, two teams are tied for the lead in the Y-12 Pistol Loop League, both the Masters and Marksmen having records of six points won and only two lost.

On June 14 the Marksmen took both scratch and handicap margins from the Sharpshooters. For the winners T. J. Bush had scores of 271 and 290.346 against 261 and 287.836 by D. E. Bailey for the losers. The Masters also took two from the Experts with Dave Alford outfiring Tommy Swindell 264 and 253 and 284.434 to 277.630.

League standing follows:

Team	W	L
Masters	6	2
Marksmen	6	2
Sharpshooters	3	5
Experts	1	7

Y-12 Red Devils Set Scoring Mark; Yanks, Eagles Win

The Y-12 Red Devils in the Carbide Slow Pitch Softball League set a seasonal record for scoring last week when they battered the Oak Ridge Gaseous Diffusion Plant Dodgemoys by 36 to 7, the victors whacking the three dozen runs on as many hits. Seven errors by the losers also aided the victors. The Devils tallied 13 times in the fourth and 11 in the fifth in the romp.

However, the sons of Satan ran into a different story against the loop leading Oak Ridge Gaseous Diffusion Plant Kentucky Wonders and bowed by the score of 7 to 2. The winners got away to a running start in the first two innings and were never in danger.

The Y-12 Yankees held themselves to only four errors and banged out 25 safeties in scoring a 26 to 10 triumph over the ORGDP Payolas. The losers kicked the ball around 11 times to aid the Yanks, who started out with a gorgeous 12-run first inning.

The Y-12 Eagles bagged an extra-inning 11 to 10 win over the ORGDP D Shift team by tallying twice in the top of the eighth and shutting off a D Shift rally in the bottom of that round after one run had scored. D Shift got out with a two victory streak for the week, however, by trimming the Y-12 Development outfit by 13 to 8 in another hard-hitting exhibition. They then whacked the Y-12 9215ers for an 18 to 13 decision.

Line scores and league standing follows:

Team	R	H	E
Payolas	10	18	11
Y-12 Yankees	26	25	4

Security is a year around job in the Y-12 Plant.

Eddie Webster's 75 Is Low Scratch In Y-12 Golf Tourney As 122 Take Part In Closely Contested Event Saturday

Many Ties Reported In Four Divisions

With 122 Y-12 golfers staging hot competition for honors, the plant golf tournament held last Saturday at the Green Meadow Country Club at Maryville found Eddie Webster turning in the low scratch score of the event with 75. The tournament was marked by many ties in each of the four divisions.

Eddie Roberts, Jr., was second in scratch scoring with 80 and Bill Ingle and George Wylie were tied for third and fourth with 81s. Bill Hamill and Bill Mee tied for low handicap score with 73 in the First Division, Harry Shatley was second with 74 and George Peterson, K. E. Thomas and Walt Sherrod were deadlocked at 75 for the other spot. Al Gillen and Joe Pryson each had nine pars for a tie.

In the Second Division Rod Murtaugh came in with 85 for first scratch. I. G. Speas had 85, C. C. Morgan 88 and E. P. Braden 89. In handicap scoring it was J. W. Phillips 71 and Avis Collins, H. R. Butler and Eddie Roberts, Sr., deadlocked at 75. J. P. Smith had the most pars with six, followed by C. E. Harris and Karl Kahley with five each.

J. W. Ebert took Third Division scratch honors with an 88 scratch round. He was trailed by Paul Arrowood 89, Ed Owings 94 and Jack Owens 95. In handicap tallying E. N. Rogers had 72 for low. Walt Simmons and Harold Ratjen were tied at 74 and Bob Tilley had 78. Art Stewart's four pars were best in the group and four were tied with three each. They were Jim Cook, Dan Morgan, C. A. Moore, M. E. O'Hara and Marvin Sanders.

Jim Ball's 93 was best scratch score in the Fourth Division. Then came L. C. Watson 96, Joe Youngblood 101 and W. M. James 103. Hugh Beeson led the handicap scorers with 72. Martin Taylor and Leo Scalf were tied at 73 and George Lockhart and O. E. Gilcrease were deadlocked at 81. Four pars by J. E. McNabb were best of the group with Ernest Stinnett, C. M. Knowles and J. E. Crone tied at two each.

Bowles-Koontz Get Lenoir City Lead

Clyde Bowles and Larry Koontz beat fellow Y-12ers Jim Thompson and Ernest Rogers by three points to break the tie for first place in the Lenoir City Golf League for Y-12 and ORNL links lovers during the week of June 20 and regain top spot in the loop. Three whitewash wins of four points each were registered by Carter-Morrison over James-Kinkaid, with W. Collins subbing for Kinkaid; Cabe-White over Ernest Kennedy-Ludlow with Ray McGinnis subbing for Ludlow; and Spradlin-Knowles over Arrowood-Wray. Harris-Harris took three and one-half points from Wright-Simmons with Frank Kennedy subbing for Wright. Three-point triumphs were scored by Schultz-Lay, Kingsbury being Lay's sub, over Ruthford-Stinnett and Beckett-Fraker Kennedy, Walt Simmons subbing for Beckett, over Collins-Watson.

Koontz had the low scratch score of the week with 43. Right behind were Charley Knowles, Schultz and Carter with 44s and Knowles put his 15 handicap to work for a seasonal record of 29 handicap.

Team	W	L
Bowles-Koontz	28 1/2	11 1/2
Collins-Watson	26 1/2	13 1/2
Thompson-Rogers	25	15
Beckett-F. Kennedy	24	16
James-Kinkaid	22	18
Cabe-White	21 1/2	18 1/2
Carter-Morrison	20 1/2	19 1/2
Schultz-Lay	20 1/2	19 1/2
C. Harris-T. Harris	20	20
Arrowood-Wray	17 1/2	22 1/2
Spradlin-Knowles	14 1/2	23 1/2
Ruthford-Stinnett	13	27
Wright-Simmons	12 1/2	27 1/2
E. Kennedy-Ludlow	12 1/2	27 1/2

FOUR WELL-KNOWN Y-12 GOLFERS ARE SHOWN ABOVE in recent competition at the Oak Ridge Golf and Country Club. From left are Harold Ratjen, C. E. Spradlin, Nelson Tibbatts and W. C. Hoppe in the act of putting.

Smith-Bartholomew Score Shutout Victory To Gain Tie For Lead In Ridge Golf Loop

The Smith-Bartholomew team drew to a tie for first place in the Oak Ridge Golf League for Y-12ers with a six-point whitewash win over the Bailey-Stout combine. Gambill-Hamby, the former undisputed top spot team shared the lead as a result of only taking four points from Belvin-Hopkins. Six points back two more teams were tied for second place. Brown-Roberts jumped up with a six-point triumph over Mitchell-Tibbatts to gain a deadlock with Hill-Hoppe, defeated by five by Underwood-Matthews.

Other shutout wins in play last week were Gregory-Kurtz over Emlet-Hines and Kahley-Everitt over Mee-McLendon. Youngblood-Burkhart gained six by drawing the bye of the week. Five point winners were Dehoney-Orrison over Boyd-Oliphant, and Ratjen-Davis over Wallace-Patterson. Cloyd-Hackett took four from Holzkecht-Peckman and Thomson-Bremman beat True-Earley by the same margin.

John Boyd and Ed Gambill tied with 39s for low scratch score of the round and Clyde Hopkins posted a 34 for low handicap tally.

League standing follows:

Team	W	L
Gambill-Hamby	45	15
Smith-Bartholomew	45	15
Brown-Roberts	39	21
Hill-Hoppe	39	21
Underwood-Matthews	37	23
Belvin-Hopkins	35	25
Dehoney-Orrison	35	25
Mee-McLendon	34	26
Boyd-Oliphant	32	28
Wallace-Patterson	32	28
Ratjen-Davis	32	28
Emlet-Hines	31	29
Holzkecht-Peckman	31	29
Mitchel-Tibbatts	30	30
Cloyd-Hackett	30	30
Kahley-Everitt	29	31
Youngblood-Burkhart	27	33
Thomson-Bremman	26	34
True-Earley	20	40
Gregory-Kurtz	20	40
Bailey-Stout	11	49

Six Y-12 Netters Open Loop Action

Six out of the eight players in the Y-12 Tennis League for men's singles got into action in opening round play last week. Sam Campbell, a former champion, beat Dick Huber 6-4, 6-1. John Pridgeon topped Mike Laggis 6-2, 6-4 and Ray Kuhn defeated Pete Reke-meyer 6-2, 6-4. Al Fischer and W. L. Harper did not see action in league play last week.

Evan Means Named Prexy Of Writers

The Outdoor Writers Association of America has elected Evan W. Means, Y-12er in the Research Services Department, as president for the coming year. The election was held at the association meeting at Kingston, Okla., on Lake Tekoma.

Fishing, Hunting Licenses To Expire Thursday, June 30

The current 1960 Tennessee hunting and fishing licenses will expire tomorrow, Thursday, June 30. Walbert H. Kennedy, game and fish law enforcement chief, advises all sportsmen to get their new licenses as soon as possible so they won't forget and get caught on lake or stream with an expired license in their pocket. Kennedy pointed out that during July of last year 310 persons were arrested for fishing without a valid fishing license. The new 1961 license is now on sale at license dealers throughout the state and will be honored from the date of purchase.

The State Game and Fish Commission is a self-supporting agency financed through the sale of license and permits. It receives no legislative apportionment from state tax money. A portion of its operations are financed by federal aid funds derived from a federal excise tax on hunting and fishing equipment which is distributed to the states by the federal government.

Federal aid funds have been decreasing in recent years, so the Game and Fish Commission is more dependent than ever on license sales to finance its state-wide operations. These funds must be used to pay for an ever expanding program and to meet increasing costs of goods and services. To maintain a progressive program it is imperative that every person who hunts or fishes buy a license and pay his share of the cost of maintaining these resources.

Most persons need a license to hunt or fish. Children under 16, residents using natural bait in their home counties, owners and tenants of farm land and their dependent children fishing on the land where they reside, and military personnel with furlough or leave papers do not need a license to fish. Anyone who hunts needs a license except those hunting on their own land and military personnel with furlough or leave papers.

Means was elevated from the post of vice president.

In an argument the best weapon to hold is your tongue.

RECENTLY GRADUATING from the United States Coast Guard Academy in New London, Conn., was Tommy Troutman, Jr., son of J. W. Troutman, Jr., of the Y-12 Electrical Department, and Mrs. Troutman, of Knoxville. Young Troutman attended Fulton High School in Knoxville where he was a star performer on the track team and continued his record-setting at the Academy. He was Regimental Operations Officer at the Academy, on the superintendent's honor list, editor of the "Howling Gale," weekly publication and also of "The Tide Rips," a yearly publication of the institution. The Y-12er and his wife attended the graduation exercises.

Y-12ers With 15, 10 Years Company Service

Congratulations to the following Y-12 employees who will complete 15 and 10 years of Company Service within the next few days.

15 YEARS

Charles F. Blaha, General Machine Shop, June 30.

Mabel E. Tyer, Process Analysis, July 3.

George W. Dobbs, Publications, July 3.

10 YEARS

Howard S. Smith, TW Shop, June 29.

Finis S. Patton, Jr., Engineering Division, June 30.

Andrew C. Hutchins, Civil and Architectural Engineering, June 30.

James H. Key, Research Services, July 5.

J And C Shift Outings Draw More Than 300 Guests

The J Shift picnic and outing held on Saturday, June 18, at the Municipal Park in Lenoir City, overlooking Ft. Loudoun Lake, drew approximately 150 Y-12ers and members of their families. The guests enjoyed a fine picnic lunch and also boating and water skiing. In a drawing for prizes, winners were Carol McPeters, ice chest; Bean Baun, picnic basket; and Kathy Orange, croquet set.

A hamburger fry held by Y-12ers on the C Shift last Thursday at Big Ridge Park drew a guest list of about 160 Y-12ers and members of their families. Prizes were awarded youngsters under 10 years of age.

Rides Wanted, Offered

Ride wanted or will join car pool from 118 West Bryn Mawr Road, West Village, Oak Ridge, to North Portal, straight day. Caila Cox, plant phone 7016, home phone Oak Ridge 5-3935.

Four riders wanted from Central Ave. Pike, Powell, to East Portal, straight day. W. H. Donahue, plant phone 7411, home phone Powell WH 7-7021.

Ride wanted from vicinity Cas Walker Store on Clinton Highway in Norwood to West Portal, straight day. H. G. Dyer, plant phone 7958, home phone Knoxville MY 1-5297.

Want to join car pool from Lincoln Park section of Knoxville to Central or North Portal, straight day. C. E. Hughes, plant phone 7-8273, home phone Knoxville 5-1676.

Want to join car pool from Unit 10, West Hills, effective July 5, to West Portal, straight day. C. L. Matthews, plant phone 7-8811, home phone Knoxville 8-6370.

Ride wanted from North Knoxville to any portal, straight day. H. L. Goldston, plant phone 7336, home phone Knoxville MY 7-9635.

Ride wanted, will drive part time or join car pool from Chapman Highway section, South Knoxville, to North Portal, straight day. Reba Jones, plant phone 7987, home phone Knoxville 5-5727.

'Stag Cruise' By H Shift Drew 51 Y-12ers, 17 Boats

That "stag" boat cruise staged last month by Y-12ers on the H Shift drew a total of 51 persons aboard 17 boats. The trip from Kingston to Chattanooga on May 28 down the Tennessee River and through Tennessee Valley Authority lakes was extremely rough because of windy weather, Y-12ers on the trip reported, but the return trip the following day was smooth. The party camped out in Chattanooga before returning to Kingston.

During the trip four prizes were awarded through drawings. Winners were H. E. Cornell, Sunflower Shop, portable ice chest; Jack Stewart, Sunflower Shop, hand axe with case; R. L. Pass, Graphite Shop, grill; and K. Crigger, Sunflower Shop, thermos jug.

D Shift Picnic Scheduled Today At Cove Lake Park

D Shift Y-12ers are scheduled to hold an all-day picnic and outing today, Wednesday, June 29, at attractive Cove Lake State Park near Caryville. Festivities were scheduled to get underway at 10 a.m. with a large number of prizes to be given away by drawings. Special prizes also were to be presented youngsters at the affair. Free soft drinks, candy and potato chips were given guests and a picnic lunch was served family style.

Check strangers in your work areas and determine their authority to be there.

Continued from Page 2

bers and W. B. Redmon are staying at home—fishing and loafing . . . Paul Miller is catching up on his farming and L. R. Benker is down in Cleveland helping his dad with the chores . . . B. E. Frye is catching air on his motorcycle . . . W. Shadden is working around his home.

The sun and surf at Daytona Beach drew W. L. Gaston, TW Shop, for vacationing purposes . . . D. L. Jenkins is staying at home to fish and hunt turtles . . . H. J. Russell and C. A. Moore are fishing and relaxing in the Smokies . . . O. L. Duncan is wetting his line over at Center Hill Lake . . . H. W. Hensley went to Virginia to visit kin folks.

W. J. Shelley is up in Big Ridge Park . . . Stay-at-home vacationers include G. S. Weaver, B. E. Edgmon, O. C. Duck, H. L. Boshears, J. B. Gooch, J. A. Lane, J. L. Scott, J. P. Miller and J. T. Compton . . . Get well wishes go to J. F. Chapman, recuperating at home; G. Wyatt, still recovering from a broken arm; W. B. Stephens, getting over an injured leg sustained while playing football; and C. E. Jennings, convalescing at home.

Z (for Zoo) Area has liberated some inmates for vacationing purposes . . . Al Brown is taking a couple of weeks to play golf in Augusta, Ga., and then rest up at Myrtle Beach, S. C. . . . Eddie Webster is considering a trip to Mexico. . . . "Cowboy" Jones is in North Carolina for two weeks . . . "Rocky" Martin is at home in Loudon and might go to Gatlinburg and Chattanooga for a few days.

Folks are flitting from here to there from the General Machine Shop on vacations . . . Ralph Lawson and family are over at Cape Hatteras, N. C. . . . E. L. Croley is visiting in Virginia . . . J. C. Heatherly went to Denver, Col. . . . Clyde Drummond trotted to Tazewell and thence to Atlanta . . . Peggy Ledford moved into her new home at Karns. . . . Earl Johnson is going to Gastonia, N. C. . . . Joe Donahue is resting at his Smoky Mountain cottage. . . . Jimmy Lovin is visiting his father at Robbinsville, N. C. . . . Ed Armstrong went to Newcastle, Del., to visit his daughter, son-in-law and family, Mr. and Mrs. Morris Clark. Clark is a former Y-12er . . . J. L. Crosno is in St. Louis visiting kin folks . . . J. L. Overton ambled down to Augusta, Ga. . . . Fishing at Clearwater, Fla., has attracted Charley McAmis . . . H. W. True is attending a ministerial conference at Camp Carson Springs, near Newport, Tenn. . . . W. B. Tyree is hermiting on Goat Island in Norris Lake, fishing, of course. . . . T. C. Gable is basking at Daytona Beach . . . G. W. Howdyshell rambled to Roanoke, Va., to visit relatives and then is going to Jacksonville Beach . . . Max Whitley meandered to Birmingham to visit kin folks . . . Stay-at-home vacationers include Willie Fowler, G. W. Brewer, and Lucille Pruitt in Oak Ridge . . . In Knoxville are E. E. Hickman, painting his house; and Earl Fritts . . . M. L. Patterson is back from a trip to Alabama . . . W. C. Collins has had as guests from Atlanta his brother-in-law and sister-in-law, Mr. and Mrs. Jack Powell . . . Rapid recovery wishes go to R. E. Gibson and C. J. Ward. . . . J. D. Kile is welcomed back after a long illness.

CHEMICAL OPERATIONS

Dat ol' Daytona Beach has J. C. Parker, Product Processing, and family as visitors . . . J. L. Ledgerwood and folks are touring New England . . . V. D. Holt chose to visit his home town of Nashville . . . More Florida visitors are Pat Hair, her husband, sister and nephew, going all the way to Key West (love them turtle steaks) . . . D. H. Reed, his wife and daughter, are over at Ocoee Lake, meeting their two sons and daughters-in-law from Atlanta and ending up by camping out in Cades Cove in the Smokies—dodging b'ars no doubt . . . J. O. Stephens is spending a couple of weeks moving into his recently acquired

SEVERAL YOUNGSTERS OF Y-12 PARENTS were on the program of the Spring Concert given recently at the Kern Methodist Church, Oak Ridge, by music pupils of Mrs. David B. Samuel, whose husband is a retired Y-12er. Among the young musicians in the picture above are Helen England, daughter of Doyle England, TW Shop; Pamela and Vicky Warren, children of E. E. Warren, Jr., Beryllium Fabrication; Charlotte Garrison, daughter of Howard Garrison, General Machine Shop; Ernie Riddle, whose father is U. G. Riddle, Electrical; Bobby Rice, son of W. W. Rice, Special Testing; Becky White, daughter of W. H. White, Product Processing; Anita Nash, daughter of James H. Nash, Sunflower Shop; Patty Thomas, daughter of J. T. Thomas, Process Maintenance; Sara Ware, daughter of R. Stowell Ware, Project Engineering; and Sally Skidmore, whose father is Milus Skidmore, ORNL employee in the Y-12 Plant Area. Debbie Ware, sister of Sara, also a member of the cast, was unable to appear because of illness.

farm home at Philadelphia, Tenn. . . . George McMahon spent his "rest" period remodeling his home. . . . Get well wishes are extended W. A. Wiginton in Oak Ridge Hospital . . . Condolences are sent to B. F. Wright, whose wife died recently.

Colex Operations rolled out its crimson carpet of welcome for Judy Bartley, a summer student from Kingston . . . J. F. Chamblee is out California-way to do some sight-seeing and meet his son, who will soon be discharged from the Marines . . . Joe Milligan says he is heading toward West Tennessee, stopping over and camping in state parks on the way . . . Stay-at-homers are C. C. Verboom at Karns and Joe Bowers on the Solway Road . . . C. Massengale is up around Ohio . . . Rapid recovery wishes go to A. T. VanDyke in Oak Ridge Hospital; W. C. Asbury in St. Mary's in Knoxville and Footsie Davis, puny but recovering at home.

INDUSTRIAL RELATIONS

The Boys in Blue and Gray of the Fire and Guard Department welcomed Guard A. J. Jeffers back last week after a bout with the miseries. . . . Get well wishes go to Guard Goebel Hoskins, reported recuperating from a long illness at his home at Miracle, Ky., that confined him to Oak Ridge Hospital for several weeks . . . Sympathy is extended to Guard H. L. Wolfenbarger, whose father died recently . . . Also to Fireman C. A. Cook, whose father-in-law died a few days ago. . . . Guard John Maxwell, "ye olde village blacksmith," plans to install some wrought iron trimming on his home and then do a little square dancing in Atlanta and Asheville while vacationing.

The Sachem of Safety, Lee Bagwell, and most of his family beat it for 'Bama this week to visit kin folks and friends.

Friends of Tom Burkett in Employment and elsewhere in the plant extend their condolences over the death on June 19 of his father-in-law, John Staples, at Rockwood.

MAINTENANCE

Electrical sends rapid recovery wishes to F. W. Atkinson and T. J. Anders, on the ailing list . . . Likewise to Tommy Curtis, son of A. G. Curtis, recovering from removal of touchy tonsils . . . Mike Getsi and family are visiting his mother in Virginia . . . T. E. Rogers and O. C. Collins are resting at home — with Collins breaking the monotony by doing some fishing and Rogers — just resting . . . F. B. Parrott and folks went to Georgia to visit some friends . . . D. E. Lane is in Wisconsin to visit his father.

TECHNICAL

If fish hereabouts aren't taking the bait better than they have been doing, all Grady Bennett, Special Projects, will get on his vacation is a wet line and many hours of relaxation (and who wants to bet he wouldn't plan it that way?) . . .

The SP's ambassador to Daytona Beach this week is Jim George, with Paul Melton recalled . . . H. E. Buckminster is slipping up to St. Louis and thence to the Yankee-Swede territory of Minnesota . . . All are breathing easier with Jim Dodson, whose youngster is now home after a nasty mastoid infection.

Her Oak Ridge home is the vacation hideout this week for June Maupin, Special Testing.

Just loungin' and spongin' on his father-in-law's farm is the vacation ambition of Bill Clark, Radiation Safety, and pals believe if he can get away with it Bill must lead a charmed life . . . J. D. Hall will spend the week at home, driving his furrin' car around and pitying his poor pals at work . . . The welcome mat was rolled out last week for Kay Derryberry, of Kingston, a summer employee who will be off to Tennessee Polytechnic Institute at Cookeville in the fall . . . Rachel Jinks, another summer employee, is spending a week at Hot Springs, Ark., as a delegate to the national convention of her sorority, Pi Beta Phi. She is the president of the UT Gamma Chapter of the sorority for the coming school year. She is a senior in the College of Education and has been tapped for Mortar Board, the national honorary group for students excelling in scholarship, character and leadership . . . She is the daughter of Albert T. Jinks, of the Stores Department in the Finance and Materials Division.

Physical Testing is all agog to hear what Bill Kinkaid has to say about that Jaycee convention he attended in St. Louis last week.

Here's a conscientious reporter—from Mechanical Inspection Louise Gardipee sends word that "they say that no news is good news so that's how it goes with the MIDs." That gal will get along.

FINANCE AND MATERIALS

A vacation at home in Harriman with short trips planned to Chattanooga and Manchester is planned by Clyde Clower, Reproduction . . . Don McMurray and family are in Clearwater, Fla., this week.

Get well wishes are extended Howard Phillips, Timekeeping.

Her home near Oliver Springs is the vacationing spot for Lula Belle Justice, Mail Room.

It was good to see Corum Scott, Property, back at his desk last week after a long illness.

The Colyum goofed last week in a name of a newcomer to Engineering Records. It is Roland Williams—not Edwards . . . Evelyn Crouse is vacationing at Concord . . . The welcome mat is out for T. R. Gadson, a new employee.

SOMETHING OF VALUE

In the African city of Timbuktu wives still sell for as little as \$45. However, a good mule may bring as much as \$56.

If you think driving recklessly is funny, you may die laughing.
